### TWELVE HUNDRED CONVICTS. REGULAR SESSION OF COUNCIL. RECENT REALTY RECORDINGS

#### This is the Number of Convicts That Makes a Revenue of \$150,000

For Florida.

Under the terms of the present lease system the State of Florida receives, quarterly, in advance, from the Florida Naval Stores Company, the present lessees, \$151.50 per capita per annum.

There are at present 1,174 convicts on the roll, for the hire of whom the State receives over \$150,000.

This number includes whites and blacks of both sexes. The records of the commissioner of agriculture, under whose department the management of the convicts comes, show that on December 31, 1903, there were 1,123 convicts on the roll, making a net gain for the year of 51.

During this year the terms of 265 prisoners expired and they were discharged. There were 29 deaths. Thirty-five convicts escaped, of whom 11 were captured.

Thirty-eight convicts were granted conditional pardons, two were paroled and one was sent to the asylum during the year.

For the year ending December 31, 1904, 350 negro males, 7 negro females, 40 white males and one white female were committed, showing that there were 500 persons convicted of felonies in Florida during the year and turned over to the lessees of the State convicts.

Hon. R. E. McLain, commissioner of agriculture, has issued notice to the public that bids for the hire of state convicts for four years, beginning January 1, 1905, will be received March 1. Bidders are required to a company their bids with a forfeit of \$10 per capita for each convict for which a bid is made.

The lessee is required to take all convicts of the State without regard to age, color, sex or physical condition.

An ordinance to prevent encroachments on or obstructions of the canals and waterways of the City of Daytona, Florida and to provide penalty for the violation thereof and to designate said canals and waterways, was called up and on motion was passed on its third reading.

Report of Street Commissioner Rix relative to Jacksonville trip was read, motion same was received and filed for consideration.

On motion Street Commissioner Rix was instructed to go to Gainesville and see if road building machinery is operating.

Petition of citizens of Waycross for an extra light was read.

On motion Street Committee was instructed to change position of Waycross light to position requested and also to arrange to have all new lights put in operation as soon as they secure contract with electric light company.

Petition of L. R. Stiles with plans and specifications for building to be used for commercial purposes and to be erected on riparian rights was read and Mr. Stiles was invited to address the council.

On motion the Stiles petition was laid over until the next meeting and that committee be appointed to investigate riparian rights in their legal statute and report.

Council appointed Mayor Smith, Alderman Clark and Schmidt as such committee.

Mr. F. P. P. Smith representing Lewis and Kitchen of Kansas City and Chicago who are sanitary and water works engineers and contractors, addressed the council and stated that his firm would present to the City plans and specifications of sewers and water works free of cost and name a guaranteed contract price for same.
